December 7, 2020

We are not turning the corner yet! But we can see the light at the End of this long and painful tunnel, the vaccine is a few months away, and we are finally at the End of this challenging year!

We are grateful to all of you, our donors. Together with you, we helped so many people here in our community and contributed to eradicating child malnutrition in Rwanda.

We will temporarily stop taking donations from December 22, 2020, to January 4, 2021. This decision is because our warehouse capacity is full, and it will give our employees in the donations center an opportunity to make room for your next year's donations.

Thank you for your generosity and support.

Donations center Closed

From December 22- January 4

We will resume our regular schedule on January 4.

Many blessings, and stay safe.

Happy Holidays!

Bon Marche Management
